WASHINGTON, D.C.

SERVED APR 4 1995

U.S.-TORONTO SERVICE PROCEEDING
Docket 50168

NOTICE TO ALL PARTIES:

On March 31, 1995, Northwest Airlines ("Northwest") orally requested that the due date for the filing of Exhibits on self-diversion of revenues pursuant to Order 95-3-57, issued March 31, 1995, be extended from April 4 to April 6, 1995. Northwest stated orally and confirmed with a letter that it had polled the interested carriers with the following results. USAir, Inc. ("USAir") joined Northwest's request for two additional days for the filing of Exhibits. Trans World Airlines ("TWA") and Delta Air Lines, Inc. ("Delta") had no objection to the request. Continental Airlines, Inc. ("Continental") has no objection to Northwest request provided that the Department also extends the due date for Rebuttal Exhibits limited to the issue of self-diversion from April 11 to April 13, and extends the due date for Briefs from April 25 to April 27.

Although we believe that the original evidence request encompassed the self-diversion revenue data requested by Order 95-3-57, because of the short time frame until the original due date for the filing of Exhibits and to prevent any of the parties from being prejudiced, we have decided to grant the request to extend the due date for self-diversion information Exhibits from April 4 to April 6, 1995. In addition, we grant the request to extend the due date for Rebuttal Exhibits limited to the issue of self-diversion from April 11 to April 13, and extend the due date for Briefs from April 25 to April 27, 1995.

Persons entitled to petition the Department for review of this notice under the Department's Regulations, 14 C.F.R. § 385.50, may file their petitions within ten (10) days after the date of service of this notice. This action is effective when taken, and the filing of a petition for review will not alter its effectiveness.
